

ARS/Pressure Washer Company Clean, Sterilize, and Humidify

ABOUT ARS/PRESSURE WASHER COMPANY

ARS/Pressure Washer Company (ARS/PWC) is an operating division of ARS Enterprises. ARS was established in 1971 to provide cleaning, sanitizing, sterilizing and humidifying equipment, and field maintenance and repair services to food and beverage firms, hospitals, laboratories and pharmaceutical or medical device manufacturers. Our equipment and service have earned us an outstanding reputation among our customers who have come to rely on ARS.

Our philosophy is to provide dependable equipment incorporating high quality components. The ARS team is dedicated to the highest standards of workmanship. Our pride rests on your satisfaction with the products and service we provide. We believe that with ARS you can achieve many years of reliable performance and an overall low cost of ownership.

ARS/PWC provides one-stop shopping for parts and accessories for virtually all brands of pressure washers and steam cleaners. Field service is available directly or through dealers nationwide.
